## Facility & Building Use Policy

### Purpose

The mission of Trinity United Methodist Church (TUMC) is “A Place To Belong. A Community That Serves. Growing In God’s Abundant Grace.”

To fulfill our commitment to serve, following the example of Christ, TUMC will make its facilities available to church and service groups both inside and outside of our congregation. The facilities may be used by non-member groups and individuals as outlined in this policy. TUMC regards this non-member use as part of the church’s service to the community. Use of church facilities by outside groups on a regular basis must receive the approval of the Church Trustees.

### Building Use

Use of the church facility shall always be scheduled with the Trustees Committee. This policy will outline who may use the facility, rules for use of the facility, and fees and deposits for building use. Background information and references beyond that described in this policy may be requested if needed. The following guidelines are set forth for building and facilities usage:

1. Who may use the Church (in order of priority)
